

NORWICH SKI CLUB PRESENTS

JACKSON HOLE®

February 6 - 13, 2021

Jackson Hole, to borrow the Wyoming state motto, is "like no place on earth." Jackson is located in a valley surrounded by the Teton Range and the Absaroka Range of the Rockies and is located just outside the boundaries of Yellowstone and Grand Teton National Parks. Enjoy amazing views of the mountains as they rise from the valley floor to over 12,000 feet above you. You will enjoy seeing wildlife as diverse as Elk, Moose, Bald Eagles and Osprey as you ski, dine and shop in "The Hole." In Jackson, the Old West is still alive in one of the most charming towns you're likely to find anywhere. From the "local color" of the Town Square's elk antler arches to the unique shops and restaurants along the boardwalks, Jackson truly has something for everyone.
